

Four Winds School

54 French King Highway, Gill, MA 01354 (413) 863-8055

Weather Policy

Our weather policy to follow Gill/Montague's closing and delay decisions. We recommend subscribing to Text Alerts from WWLP for a free, easy way to stay up-to-date and informed of their decision.

(www.wwlp.com/text-alerts)

Delays: If Gill/Montague decides to have a two-hour delay, we will start our school day at **10:30**. We won't have snack/break time on these days.

Early Dismissals: We do not do early dismissals. With families coming from so many far off locations, coordinating an early dismissal is too logistically difficult. In the event that Gill/Montague decides to call an early dismissal, we may either decide to stay open or closed depending on the forecast. In this event we will call every family to make sure that they are aware of our decision.

Closings: If Gill/Montague decides to close, so will we. If Gill/Montague decides to stay open we will stay open, too. If you're having different weather than we are in Gill and are worried about driving to Four Winds, you're welcome to keep your student home, bring them late, or pick them up early.

On the extremely rare occasion that Gill/Montague decides to stay open and it's clearly just clearly the wrong decision/every other school in the area is closed, we *may* decide to close despite them. In this *extremely rare situation*, we will personally call every family to ensure that everyone knows that we're breaking our normal policy.
